DECLARATION FOR PATENT APPLICATION

As the below-named inventor, I hereby declare

My residence, post office address and citizenship are as stated below next to my name.

I believe I am an original, and first inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled NUCLEIC ACID ENCODING SPINOCEREBELLAR ATAXIA-2 AND PRODUCTS RELATED THERETO, the specification of which

is attached hereto.

X was filed on October 8, 1996, (Attorney Docket No. P07 37217) as Application Serial No. 08/727,084 and was amended on (or amended through) (if applicable)

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment(s) referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Sec. 1.56(a).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Full name of first inventor: STEFAN M. PULST
